

Informatics and computer science, Winter 2025
Milestone 2 Submission Guidelines
“Deadline: 26/11/2025 11:59 PM”

You are required to submit a zip file, named after your team number e.g. Team 10, having the following documents:

- a) SQL files containing the script of both the data and the schema of the database. However **no wizards** will be used to perform any of the tasks.

The files will include the following:

- SQL file containing the script for tables creation and the relations between them including all needed keys, constraints and formulas.
 - SQL file containing the script for inserting consistent data inside the tables that covers all the possible scenarios of the user stories.
 - SQL file containing the script for creating all the stored procedures and functions that will be used to implement all functionalities mentioned in the User Stories.
- b) The name of the procedure should be written EXACTLY as it is mentioned in the description or it will NOT be graded.
- c) A PDF file containing:
- Team members’ names.
 - Team members’ tutorial groups.
 - Team members’ application numbers.

Submission guidelines:

- a) Only one copy of the documents will be submitted via ONE team member.
- b) Submit one zip file named after you teamNumber_MS2 e.g. Team4_MS2, including all the documents above through this submission link [**https://docs.google.com/forms/d/e/1FAIpQLSdEFE7xw2U2**](https://docs.google.com/forms/d/e/1FAIpQLSdEFE7xw2U2) **editor**. The link will open for submissions 2 days before the deadline.

Please note that:

- Creations of the tables have to be in order, as the script will be run only once and the database should be created with all the tables at once with no errors.
- **No late** submissions will be accepted.
- It is your responsibility to make sure that the files were submitted successfully.
- Not following any of the conventions, or having an problems with the order of tables creation would lead to losing marks.
